Minimum Credit Hours required for degree: 61

NOTES:

* Indicates a **REQUIRED** course in a SUNY College and/or University Psychology Major.

- (a) To fulfill the World History and Global Awareness requirement, students must take one of the following sets of courses:
 - (1) HIS 125 Western Civilization to 1650 and HIS 134 World Civilizations since 1600;
 - (2) HIS 132 World Civilizations to 1600 and HIS 127 Western Civilization since 1650;

- (b) Students are required to choose two of three courses from the following list. Please be advised of specific requirements for your individual SUNY campus psychology program.
 - (1) PSY 230 Child Development; or
 - (2) PSY 222 Lifespan Psychology; or
 - (3) PSY 223 Adolescent Psychology.

- (c) One semester of a World Language is required, though a second semester is strongly recommended.

- (d) All courses with the ECO, HIS, PHI, POL, or SOC prefix satisfy this requirement. Students intending to transfer to a SUNY school are advised to take a semester of American History.

- (e) Students are required to take two semesters of a natural science, one of which is a lab. BIO 141 and BIO 142 are encouraged, but at least one Science elective must be on the SUNY General Education list for Natural Sciences and Scientific Reasoning. Students should carefully review the science requirements of the college to which they plan to transfer before selecting science courses.
